

Communication Board

Please use this form to let us know what kind of enquiry you have.

We try to answer your enquiry as soon as possible. Please try to focus on a precise and short question in order to ensure a quick reply.

Before sending your enquiry, you will be able to print and / or save this form to your own device.

Please be aware that this pilot does not replace the Scientific Advice procedure. The objective is to facilitate **informal exchange** of information and guidance in the development process, complementing and reinforcing existing formal procedures.

In case you need **comprehensive regulatory advice** from AEMPS please write to:

innov_spain@aemps.es
